Partnership opportunities

The opportunity exists for businesses and other organisations to partner with YMCA HQ to help ensure we continue to be able to develop and deliver innovative programs that ensure young people grow in body, mind and spirit as they transition into adult life.

YMCA HQ in Leederville has more than 7,000 young people come through the doors every year and represents a fantastic opportunity for businesses with an interest in the youth market to support events and activities that benefit young people and gain further exposure for their brand in a targeted way. HQ has a number of sponsorship opportunities available to businesses and organisations that include brand exposure and other benefits.

YMCA is also a registered deductible gift recipient and all donations made to HQ over \$2 are 100% tax deductible.

Please contact YMCA HQ to discuss sponsorship or donation.
